

Are you seeking a great opportunity for professional growth? Come join a successful, creative company with an exceptional 47-year history in Colorado Springs! We are a dynamic group of professional landscape architects and land planners working hard to support our clients in creating great places to live, work, and play in the Pikes Peak Region.

Our ideal candidate will be a Landscape Architect who is passionate about the profession, thrives in a collaborative environment, and embraces engagement with clients, community advocates, and industry colleagues. The candidate must bring a professional demeanor, a strong desire to excel and a proven leader. The position requires creative design skills, superior hand and digital graphics, written communication abilities, and organizational proficiency. Under the supervision of senior staff, the candidate will work collaboratively in the production, design, and support of community master plans, parks and open space plans, civic spaces, commercial site plans, land use plans, residential subdivision plans, planting plans, construction drawings, technical specifications, and cost estimates. A working knowledge of regional plant material, construction practices, and municipal regulations is beneficial.

This is a full-time, in-office position, located in downtown Colorado Springs, situated within easy walking distance to trails, parks, and restaurants.

Qualifications:

- Self-driven individual, who can share knowledge and collaborate with our team.
- Articulate and thoughtful, an excellent communicator.
- A degree in Landscape Architecture.
- 5-10 years of experience in a similar role is preferred.
- Must be a licensed Landscape Architect in Colorado.
- Must be flexible, and a team player.
- Experience with AutoCAD, Adobe Photoshop and Sketch Up software is required.
- Experience with GIS, Lumion, Bluebeam and LandFX experience is desirable.

Benefits:

- Direct Primary Care Membership.
- Generous Healthcare Offset.
- Paid Vacation and Sick Time.
- Paid Holidays.
- 401(k) Retirement Plan.
- Profit Sharing Program.
- Reimbursement program for licensure testing and accreditation.
- Continuing education opportunities.

Application Process:

No phone calls please. Interested applicants should email a PDF document to include a letter of interest, resume, and portfolio to [info@nescolorado.com](mailto:info@nescolorado.com).

Salary: \$85K to \$110K annually, commensurate with experience.
